The following displays the amended (inserted) paragraph in the specification and all amended claims, as amended in the present amendment, without showing any underlining.

In The Specification:

(Paragraph before insertion starting at page 5, line 11, with inserted paragraph regarding Fig. 12A, and paragraph following):

Fig. 12 shows another towed array system, that includes a two dimensional array.

Fig. 12A is a plan view of a 2-dimensional array of transducers.

Fig. 13 is a display that applicant has generated, that shows variation in amplitude with depth, of each of a plurality of horizontally spaced echoes produced by a linear array, for a case where a flatfish lies on the seabed.
